Calvin Steel is a Limited Edition Vehicle meeting EC Pedelec Laws. Any modifications will void out guarantee of this claim. The design and concept are property of Lars Loh. Warranties are given by the component producers and are to be filed with them or their official representatives. Changes and part substitutions might still occur and we are not liable for miss-prints. Final specs will be certified at time of actual purchase. Prices are with 20% VAT on location in Vienna. Shipping and handling is the responsibility of the buyer. Shipping-insurance is the responsibility of the buyer. This is a specialty Vehicle! Service should be done by a professional or equal. Operation is recommended with safety-gear and only by expert riders.
